

Old Austin Neighborhood Association (OANA)

Tuesday 30 January 2018

OANA held its annual general membership meeting on 30 January 2018 at the Shoal Creek Saloon, Ray & Lisa Canfield, Proprietors. OANA Board of Directors (BoD) members in attendance were Ted Siff, Ray Canfield, Michael Portman, Bill Schnell, Diana Zuniga, Charles Peveto and Blake Tollett. From 5:30 until around 6:30 we hosted a social hour with drinks and plenty of good food and Ted then brought us together.

Our first order of business was his comments on the work we have addressed this last year, specifically the meeting highlights that had been circulated. Looking forward, we have ongoing projects we continue working on as well as some advocacy work concerning the 2018 bond election. Having briefly touched on where we have been and where we hope to go, our next business item was the election of BoD members for 2018.

The OANA Bod is comprised of 11 members with staggered two-year terms. Members up for reelection this year are Michael Portman, Charles Peveto, Ray Canfield, Austin Stowell, Ted Siff and Perry Horton. Excepting Perry Horton, and after a brief presentation as to why they would like to continue serving, and upon motion and unanimous acclimation from the audience, the five current BoD members were given a new two-year term. As Perry H was unable to recommit, upon motion from the floor and unanimous acclimation from those present, Paul Byars was seated on the OANA BoD. Welcome Paul.

Having concluded the necessary business, the official annual meeting of the general membership of OANA was adjourned at 6:52 and the opportunity to socialize continued. Once again an especial thanks to the Canfields and their staff for their generous hospitality. The next regular meeting of the OANA BoD will be on Tuesday 6 February 2018 at the Shoal Creek Saloon beginning at 4 PM.

Blake Tollett, Secretary
OANA
